Autumn 2016

Electronic Prescriptions

Nominate a Pharmacy by phone, by post, or come into the surgery.

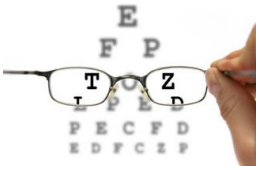
Once you have placed an order for your prescription, you can collect it from your named pharmacy after 2 working days.

You can change your named pharmacy at any point.

Opticians Service

From July—Flints Optometrists are working at **Brewood Medical Practice** on a fortnightly basis.

Should you wish to book an eye appointment as an alternative to attending Codsall, please contact **Flints in Tettenhall** directly on:

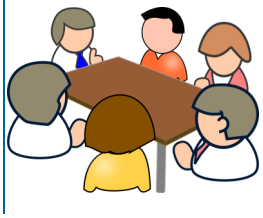


01902 422096

Patient Participation Group

We aim to promote communication between the practice and the patients and contribute to the continuous improvement of services.

In order to represent the views of all patients our group needs to recruit a broader demographic of patients. We meet every three months on a Friday afternoon.



Please contact the Practice if you are interested

New NHS Physiotherapy Service!

If you are suffering with musculoskeletal problems - i.e. joint, muscle problems such as back or neck pain, shoulder, knee problems, sprains, etc. we are offering an NHS **Physiotherapy Triage Service** at Brewood Medical Practice.

Please ask a receptionist to make an appointment.

Online Access

As a patient you may request access to elements of your medical records via online services.

You are able to book/cancel GP appointments, order repeat prescriptions and view your electronic medical records.

If you would like to access these online services—you will need to attend the surgery and provide photo ID to the receptionist who can create your account.

(Please note this service is only available to patients aged 16 years and above).

Fire Service Home Checks

The fire service is working with the Village Agents to provide Home checks for housebound and vulnerable people. They will carry out a fire safety check and a health check is also offered.

Should you require medical attention the Medical Practice can be contacted for you.

Please call the Village Agent on:
