

# Notice To All Our Patients Confidentiality Statement

The practice ensures that your patient confidentiality is maintained during your consultations with all health professionals.

Circumstances whereby your confidentiality may be unable to be maintained are if:

- You share information whereby you or another person is at risk of / or is experiencing harm or abuse
- You share information whereby a crime has been / or is going to be committed

**This is a legal obligation for all health professionals and is a requirement of their safeguarding responsibilities.**

If you have any queries please discuss directly with your health professional.
