

Friends & Family Test

Are Ashfield Medical Centre patients likely to recommend us to their friends and family?

93% say

YES!

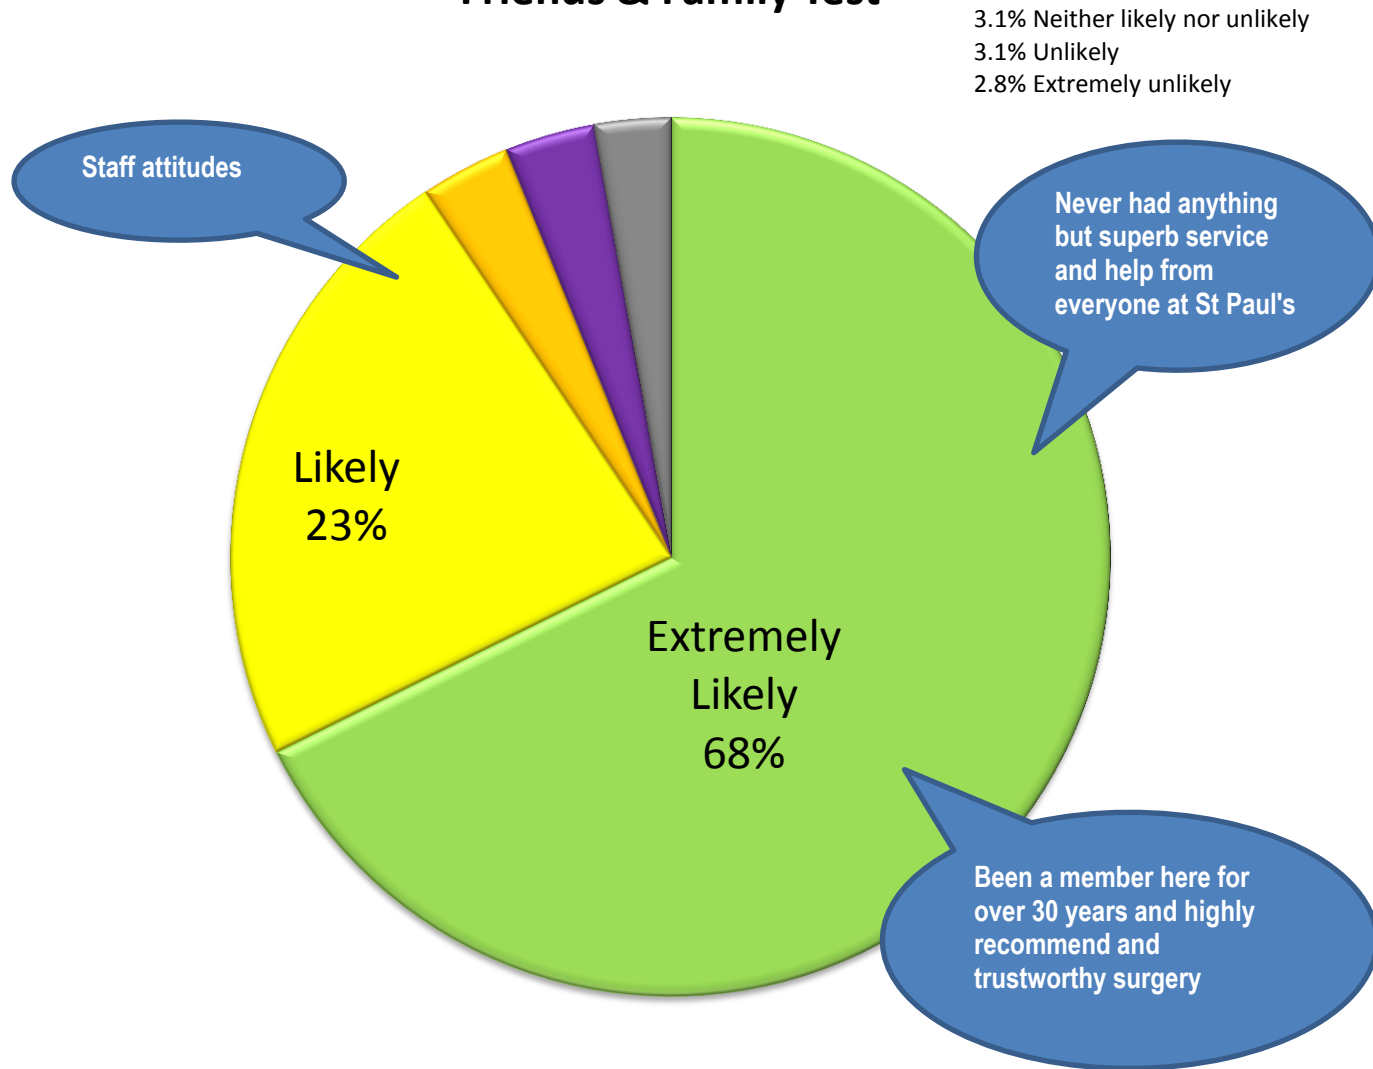

Results from Friends & Family Test questionnaires completed Dec 14 to July 15.

Highly recommend Dr JJ - she is always so helpful and makes you feel very comfortable.

I would recommend Dr Johnson. I wish she could start up classes for mindfulness. It would help people.

Very helpful Dr Johnson

Friends & Family Test

Are St Paul's Medical Centre patients likely to recommend us to their friends and family?

91% say

YES!

Results from Friends & Family Test questionnaires completed Dec 14 to July 15.
