Beat the phone queue with **Patient Access**

Book your next
appointment online,
or with our free app

**To register, just
ask at reception**

I had to quickly get more of one drug for muscle spasms recently, and rather than ring the surgery to explain, I typed a short note to the receptionist via an online form and it was delivered that day.

A screenshot of the Patient Access app interface. At the top, there is a navigation bar with a menu icon, the 'Patient access' logo, and a 'SIGN OUT' button. Below the navigation bar, there is a 'Book an appointment' section with a calendar icon and the text 'To make a booking, please choose the date and time you would like'. A 'Filter by person or place' button is visible. The main content area shows a list of appointments for 'Thursday 7th March 2013'. The first appointment is for 'Mrs Sharon Dawson, District Nurse' at 'Main Surgery ALL DAY' with time slots '16:20' and '18:40'. The second appointment is for 'Dr David Stables, Principal'. Below this, there are sections for 'Friday 8th March 2013' and 'Saturday 9th March 2013', each with a right-pointing arrow.

Order your repeat prescription with our free mobile app

The screenshot shows the "Your Repeat Medication" screen in the Patient Access app. At the top, there is a navigation bar with a menu icon, the "Patient access" logo, and a "SIGN OUT" button. Below the header, the title "Your Repeat Medication" is displayed with a refresh icon. The main content area contains instructions: "Select the medicine(s) you want to request by ticking the check box. Add a message related to the request if required and click the 'Submit Request' button." and "If you need to request something not listed below, please contact your practice." Below this, there is a list of medications, each with an information icon (i), the medication name, dosage, and a "SELECT" button. The first medication, "Mucaine Suspension", has a green checkmark next to its "SELECT" button, indicating it is selected.

Medication	Dosage	LAST ISSUED	Status
Mucaine Suspension	three times a day, 500 ml	09 Jan 1996	<input checked="" type="checkbox"/>
Warfarin Sodium Tablets	1 mg		<input type="checkbox"/>
Aspirin Dispersible Tablets	300 mg		<input type="checkbox"/>
Ibuprofen Capsules	200 mg		<input type="checkbox"/>
Co-Codamol	15/500 Capsules		<input type="checkbox"/>
Metformin And Sitagliptin Tablets	1000 mg + 50 mg		<input type="checkbox"/>
