What is the MJOG Patient Messaging Service

The service is being offered to all our patients. It will enable us to send messages to your mobile phone when you book appointments* and to remind you a few days before an appointment. (Please ensure we have your correct mobile number)

How it will help you

It will make life easier and more convenient. You will receive a message the day before your appointment. *“Don't forget your appointment at 16.00 on Monday 17 September at Plowright Medical Centre. If you cannot attend reply CANCEL or call reception.”*

**you will need to download the app from the app store or google play store. Search MJog messenger . Do it today!!*

- Quick and easy to use – stay in touch with us 24/7, 365 days of the year
- Keeps your appointments information confidential
- No SMS charges

Download MJog Messenger App today!

How will the MJOG Patient Messaging Service help us?

This will help lower the number of patients who miss their appointments.

Once you have downloaded the app onto your phone, you can simply press 'CANCEL' if you no longer require your appointment. This automatically cancels your appointment at the medical centre.

This avoids you having to spend time ringing the surgery. You can also cancel your appointment when the surgery is closed.

Please remember to cancel your appointment if it is no longer needed. Just press 'Cancel' on the app.
