Registration

To be able to register you need to bring the following items:-

- Birth certificate for new babies or children with no passport
- List of all medication needed

Forms not filled in correctly may effect the time it takes to register so please fill in all parts where applicable.

Please make sure you complete the above form and requirements where applicable before you return them to the surgery.

The registration process may take upto 6 weeks so please make sure you have an adequate supply of your medication. We will be unable to supply you with any medication until the registration have been processed. We need evidence of your medication i.e. last prescription, evidence from previous doctors or tablet boxes.

How to get the best from our repeat prescription system

If you take regular medication your prescription will have a tear off slip showing your repeats.

To re-order medication, tick only the items you need on the list you require for the next 28 days and pass it onto the receptionist on the prescription desk.

Repeat prescriptions can be ordered in the following ways:-

1. in person (we have a red box on the wall to the left of the prescription desk)
2. by post
3. by fax - 01282 731545
4. by email - repeats.p81025@nhs.net
5. prescription box located on the wall to the left in at the entranceto the building

Please note

Repeat prescriptions take **48 hours** to process in the surgery and we **do not take requests over the telephone.**
