

Richmond Hill Practice

PPG Information Leaflet

The Richmond Hill Practice have been running the Practice Participation Group for over 3 years and we are finding them to be very useful and informative. To help us achieve our aims we need you, the patients, to pass on your thoughts to us so that we can take them forward.

We have 2 kinds of groups; a physical group in which we meet up twice a month and a closed member only Facebook group.

The group is a route for you, the patient to advise and inform us, the Practice on what matters most to you and to help identify solutions to problems. Members of PPGs should think about the wider patient interest and not just their own personal concerns when serving on the PPG.

If you would like to be a part of the physical group you can contact our PPG Chairman Jerry Stanford or the PPG Administrator, Joanna at the surgery. Please be aware that as we have limited space, we can only have a certain amount of members in our

physical group. If you would like to be a part of the closed Facebook group please fill a slip in at reception or visit our website.

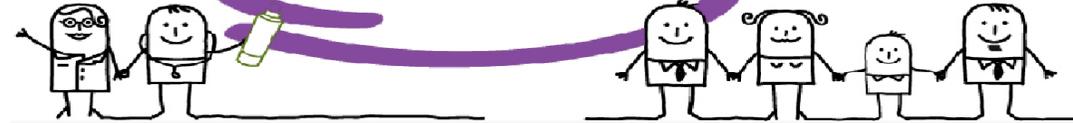

If you have any issues you would like to raise, please contact our PPG Chairman Jerry Stanford. He will address your concerns at the meetings which are run on the last Tuesday every 2 months from 4 –5:30pm.
