Just a short note to let you know we have moved house and are now living near to our grandchildren, so its with sadness we are now leaving your practice. My wife and I would like to thank you and your staff for looking after us so well over the last 23 years. We have had great service from all concerned and hope we get as good treatment at our new surgery. The NHS is just the best and hopefully we can soon get it back on track. The dedication from you all who work there is second to none. May it long continue.

A very big thank you to all of you for the care and support you gave our dearest father. We have appreciated all of your help which has included many years of GP appointments, prescriptions, home visits, clinics, monitoring - the list is endless and we're not sure we could do it justice. We just want you to know how wonderful you all are.
