## Patient Participation Group

### Would you like to join our patient reference group?

Our patient reference group formed in 2011 and helps us to gain the views of our patients about the care and services we provide. The PPG is made up of two sub groups:

**Virtual Reference Group (by e mail)**

Membership of this group involves the completion of periodic questionnaires about the practice, providing us with valuable patient feedback. There is no need to attend meeting or to offer commitment, just complete and return the questionnaires. We will also e mail you information and updates about the practice, copies of newsletters and the notes from any Core Group meetings.

**Core Reference Group**

Membership of this group involves attending bi-monthly meetings whenever possible and activities associated with the group. The key activities of a patient reference group are usually: Strategic advice; Health promotion; Information provision; Volunteer services.

If you would like to become involved please tick the box (es) above to indicate which group(s) you are interested in and fill in your details below:
