Suffer from a chronic disease

A child (check with GP for child age eligibility)

You could be at greater risk from the flu

Contact the practice to book your appointment

Shingles Vaccination

Shingles vaccination is free to:-

Patients aged

70 to 75

and

78 and 79

Please check with the practice about eligibility and to book your appointment

Health Checks

Health check appointments are available for all patients aged 40-74 who have not been screened in last 5 years

ONLINE

Patients can book their appointments, amend their contact details and order their repeat medications online. **Please ask at reception for a form.**

In order to protect patients data we can only give log in details to the patient upon proof of identity

Changes to the way your local pharmacy orders repeat prescriptions

The practice will no longer accept repeat prescription requests from the your local pharmacy .
Patients (or your carer or nominated family member/friend will have to order your repeat medication

Please take a look
We now have at our website on www.fieldroadhealthcentre.nhs.uk

INFECTON CONTROL

To help minimise the risk of spreading infection all patients and contractors using our premises should use the hand gels situated at reception.

CQC

- The practice is registered with the Care Quality Commission (CQC).
