Occupational / Educational Resources

If you are in employment or education (College or University) it is likely that you will be able to access to Mental Health support this way. Most big employers and educational establishments had this pre-COVID but many more have taken it on board since COVID. It may be worth checking this out as it is likely to be free aswell.

1. Military employees and families
<https://www.ssafa.org.uk/get-help/mental-wellbeing>
SSAFA is ready to help all service men and women, veterans and their families, with any mental or emotional health concerns.
2. NHS Grampian Staff
<https://gohealthservices.scot.nhs.uk/counselling>
As part of an ongoing commitment to improve our service GO Health Services have developed a new [Counselling and Wellbeing Hub](#). When you contact the hub you will first speak to one of the trained wellbeing advisors. The wellbeing advisor will provide a listening service and signpost you to targeted sources of support. This may be all that you need but if you would benefit from additional support from our specialist counselling team or an occupational health advisor, this will be arranged.
3. People who work in supermarkets
<https://www.groceryaid.org.uk>
They provide counselling sessions and online CBT programmes, family and relationship counselling, debt management and legal advice for people who work in supermarkets.
Confidential 24/7 helpline 08088 021 122

Some of the modules can be used on their own, while others are best used as part of the series; each workbook will have its own suggestions.

Families / Younger Adults / Teens / Children

1. Children 1st & Parentline
<https://www.children1st.org.uk/>
 It offers trauma support for children and families and also has advocacy services. They deal with a variety of issues including self-harm or simply ‘not coping’ at home or school. The local branch of Children 1st, based in Northfield Terrace in Elgin, has provided food vouchers, cooked meals, given money advice and continued to be there through video calls to help local children and families during lockdown. As restrictions eased, the charity, which assists families and children who have been affected by trauma or adverse childhood experiences, organised a range of summer holiday activities including beach days for families who have children with additional support needs.
 Parentline is part of Children 1st
<https://www.children1st.org.uk/help-for-families/parentline-scotland>
