

# LET'S TALK ABOUT...

## Women's Health

### How can we improve our services in the community?

- Share your views about Women's Health Services - what works well? What could be improved? What would you like the services to look like in the future?
- Free refreshments, workshop and the chance to speak to a clinician
- Find out about the local services and support for women in the community, and how these are changing
- Meet healthcare staff who specialise in women's health and have an opportunity to ask about services and support in the community
