

Partners Income Declaration for 2014-15 Tax Year

All GP practices are required to declare the mean earnings (e.g. average pay) for GPs working to deliver NHS services to patients at each practice. The average pay for GPs working in The Village Green Surgery in the last financial year was £38,475 before tax and National Insurance. This is for 5 full time GPs and 4 part time GPs who worked in the practice for more than six months.
