	Other	

Please give any further information that you feel may be relevant

--

**Remember**

Take out adequate travel insurance including any possible activities. A European Health Insurance Card (EHIC) which entitles you to free or reduced rate medical care in most EU countries. You can apply for one free of charge online ([www.dh.gov.uk](http://www.dh.gov.uk)), by phone (0845 606 2030, or by post using a form from the Post Office

A dental check up before you travel may prevent problems while you are away

Ensure you have enough of your current medication to see you through your trip. This may include contraceptives, inhalers etc

Pack a first aid kit (a sterile kit of emergency equipment may be a good idea if you are going somewhere remote)

Find out about the place you are travelling, the Foreign and Commonwealth Office website [www.FCO.gov.uk](http://www.FCO.gov.uk) contains information and up to date advice on travelling abroad, including information about risks in specific countries
